Our Dine Around program is designed for Half Board and All-Inclusive guests, offering them the opportunity to enjoy dishes from around the world while having lunch (only for All-inclusive guests) or dinner (for All-inclusive and Half Board guests) at the many restaurants at Pirin Golf & Country Club.

In the restaurants participating in the program, guests can choose to order from a set menu at no extra cost or opt for an à la carte meal, in which case we will deduct a certain amount from the bill.

Deductions for à la carte:

- For adults: 15.00 euro per person
- For children (aged 7 to 13.99): 8.00 euro per person

** To take advantage of the program, you need to make a reservation at least one day in advance or before your check-in.*

**The earlier the reservation is made, the more likely it is that the restaurant will have availability for your selected date.*

**In case the restaurant is at full capacity on your chosen date, our team will offer alternative options for you to enjoy during your stay.*

**Reservation requests may be declined if the restaurant is fully booked.*
